How We Use Personal Information That We Collect

We may use your personal information within Dr. Elliott's Office: (1) to provide you with the services and products you request; (2) to answer questions about our services; billing, payment methods or use of our website; (3) and to process or collect payments for our services.

We will not disclose any personal information to any third party, unless (1) you have authorized us to do so; (2) or we are legally required to do so, for example, in response to a subpoena, court order or other legal process.

How We Protect Information Online

We exercise great care to protect your personal information. This includes, among other things, using industry standard techniques such as firewalls and encryption. These techniques are compliant with the PCI Security Standards Council and offer complex, secure protection for all information stored. We educate our employees about the importance of maintaining confidentiality of customer information. We review our security arrangements from time to time as we deem appropriate.
